First things first!

I want to let you know of the plans, as of now, for this year. It is pretty much completely packed out, and I want to make sure you know a bit of what is going on and how you are involved!

I am in Bielefeld, Germany for 2 months. I will be spending as

much time with the local guys at [Living Room Skate Church](#) encouraging them, and just doing life with them. No religious training seminars or complex ceremonies. Just, simple living in community with one another. Doing the Kingdom together!

As soon as I get back from Germany, I'm headed back to Australia for 3 months, 1 week after my return. From there I am taking 3 guys with me to Dundee, Scotland to help start another skate church and I want you to be involved, this is how...

I'm not going to attempt to beat you up with bible verses that talk about giving and Old Testament laws on tithing. I'm just simply asking that you get involved with these amazing people whose lives are being changed for ETERNITY!

I understand the times that we are living in, and how the economy is allowing for paralysis to take effect in our lives. If there were ever a time to give, it's NOW! Herein lies the problem. The real issue we have is not with the 'getting', it's with the GIVING. If we could just wrap our simple minds around a simple law that has been spoken into creation, I believe we could do SO MUCH more for the Kingdom!

I want to challenge MORE people to commit to giving. I want you to consider a monthly commitment for the next year. There are many needs for this coming year, and it's gonna take all of us coming together for this to happen.

- Continued provision for my bills and travel/living expenses
- Plane tickets, different fees for traveling/VISA's/Passports/Airport taxes/Baggage FEES/Putting one foot in the airport fee/Putting 2 feet in the airport fee/ etc. etc. etc.
- Skateboarding is dangerous and I have no Medical Insurance--(this would be nice to have)
- Bringing a camera crew to document the needs of each place ([check out the Scotland videos](#))
- Ability to help pay for airline tickets to bring locals on trips with me
- Bringing someone with me on trips would be a good thing-I would like to not travel alone so much this year
- Purchase a video camera and lens suitable for filming skateboarding/documenting trips (i.e. VX1000)
- Renting a car or van for the places I'm in to take kids on short term mission trips.
- Many of the skate churches need finances as well, I would love to be able to form a support system for this
- I'm sure there are other needs that I can't think of right now, often times things just come up out of nowhere.

.My welcome into Germany. They prayed for me at church upon my arrival.

This is what I really need you to prayerfully consider:

- [100 people to commit to \\$25 for the next year](#)
- [100 people to commit to \\$50 for the next year](#)
- [100 people to commit to \\$100 for the next year](#)
- [100 people to commit to \\$OTHER for the next year](#)

If this is something that you can commit to, please click on one of the above and fill out the details online. All donations will receive a tax deduction receipt at the end of the year through [Globe International](#). It's easy to follow the steps and you can have it taken out of your account automatically every month if you wish.

Understand that I live a very simple life, with very few things. I have no place to call my home, and my belongings are the basic necessities of the life that I am called to live. I have a car, a phone, a laptop, a camera, and my clothes. I own 1 piece of furniture, and it's a book shelf. My asking is not for some extravagant living abilities, but for the continued belief in a God who has separated me from birth, called me by name, and has appointed me for such a time as this!

Thank for who you are to me!
