April 2010

children were crying at the foot of his bed. My friends it's such a joy to bring good news to people in great need. Even though Nhuan remained in a coma his family put their trust in Jesus. This week Nhuan has risen!!! He is alive and not dead!!! Jesus is faithful and still doing miracles...Halleluiah!!!

Dear Friends

"Praise God" He's alive and not dead!!! I want to thank all the dear saints who prayed for Nhuan. Last month this man was struck in the head by a falling coconut here in Vietnam. The Lord has truly done a miracle with this guy!!! After Nhuan's skull was cracked open by a huge coconut, the doctors said the chances of him surviving are slim. His head was hemorrhaging and the blood was clotting in his brain. After taking a long road trip to visit him in the hospital, I laid hands on him hoping that God would do a miracle. While I was praying I didn't feel any healing power flowing through me. All I felt was God's compassion and pain for the people surrounding me. I was overwhelmed with his family and everyone who was suffering in this hospital. There were tons of people with horrific injuries packed in one room. Some of these folks were seriously tormented, moaning and groaning in pain while I was interceding for Nhuan. His soul was lingering between heaven and hell. His family was desperately hopeless, his wife and

Coconut Victim

The Sky is Falling

If God violently shakes the heavens and the earth, surely the sky will fall and it only takes one coconut to destroy us. Yesterday the world was rocked by another killer quake. China is currently experiencing tragedy with hundreds slipping off into eternity. What's happening around the world is no mystery it's just the fulfillment of Bible prophecy. The Bible also says that scoffers will come in the last days, walking according to their own lusts, and saying, "Where is the promise of His coming? I fear God at your

request!!! The violent shaking is only beginning. What terrifies me the most, is that judgment begins in the house of God...1 Peter 4:17 and leaders are under a stricter judgment...James 3:1. God is going to clean house and He may begin with a spring cleaning. The church is full of foolish virgins who have no clue that Jesus is coming because the watchmen are sleeping...WAKE UP!!! Watch and pray always that you may be counted worthy to escape all these things that will come upon the earth, and to stand before the Son of Man." With fear and trembling I'm realizing that some of the biggest God mockers are hanging out in the church house. Just one more sign of the end times...2 Thes 2:3

My dearest friends thank so much for sending me to bring good news to the lost and hurting. The kingdom of God is at hand, we are not guaranteed tomorrow. Please continue to stand with me to encourage people to know the mercy of Jesus. With much love, Barron
